Heymann-Löwenstein	Germany	Mosel	Mosel	Schieferterrassen	2016	6	200 kr		Reinhard Löwenstein is most likely Germany's most provocative winemaker. He sees his steep vineyards as natural extensions of Burgundy's finest crus, and he vinifies his low yielding vines with the objective to rival those famed plots of land. Roth Lay, Laubach and Röttgen have proved on multiple occasions since the early 80's to be benchmark, dry Rieslings. We're extremely proud to represent this world class producer.
